

The Ashley Lauren Foundation's Golf Outing Cream Ridge Golf Course Friday, September 22, 2017

Dear Friend,

The Ashley Lauren Foundation, a non-profit, charitable organization incorporated with the State of New Jersey on July 6, 2005, was founded because of a passion to make a difference in the lives of children suffering from cancer.

The goal of The Ashley Lauren Foundation is to ease the journey when pediatric cancer is diagnosed by providing Direct Financial Assistance (household bills, medications not paid through medical insurance, traveling expenses to and from hospitals, funeral expenses, etc.); Material Assistance (food, clothing, household items); Emotional Support (for the entire family); Four Major Seasonal Parties for the Children and their families (Spring Party at the Boardwalk, Summerfest, Harvest Party, Holiday Party); Advocacy; "Making Dreams Come True" Program; Birthday Brigade (gifts, cake, balloons delivered personally to each child); Special Outings; Hospital Parties; Holiday Gifts for the Children and anything else that is needed to make their lives easier and bring smiles to their faces.

In February 1991, my daughter, Ashley Lauren, was a typical, energetic 3-year-old child, adored by her family. When Ashley's diagnosis of Wilms' Tumor (kidney cancer) came, our lives were shattered. After losing her left kidney and adrenal gland to the disease, Ashley endured many grueling years of chemotherapy, radiation and their effects. Ashley is now cancer-free and lives with hope in her heart.

We are here because we care... and we need your help...
